

GUIDING PRINCIPLES

Subject Matter

We provide learning content that builds skills to deliver a sustainable construction industry.

Target Audience

We deliver a School free at the point of use for anybody who works in, or may aspire to work in, the construction industry.

Accreditation

We will offer accredited learning where appropriate and learning that contributes to professional qualifications.

New knowledge

We engage with industry, academia and research organizations to instigate and seed fund new research that can be translated into School learning content in the future.

Leadership

We establish the School as the centre of excellence with respect to developing supply chains to deliver a sustainable construction industry.

Geographic reach

We seek global best practice to reach Partners' supply chains across the US and across international markets, where appropriate.

Partners

We seek Partners who share the values of the School and who commit to share knowledge, contribute financially and in kind

Funding

We fund the School from Partner contributions, franchise fees and appropriate sources of government or industry funding. We will not ask members for money or allow commercial sponsorship of our learning content or activities.
